- (b) Buyer shall conduct its activities hereunder so as to avoid loss or embarrassment to Invoicing Party due to any real or apparent conflict of interest, and to require that all subcontractors comply with such policy.
- (c) Invoicing Party shall have the right to terminate the contract upon violation of said business practices on the part of Buyer, its employees, agents, representatives or subcontractors.

**Article 13 - Confidentiality**

Buyer shall not without our prior consent divulge to any third party any confidential information of business secret marked as such and concerning Invoicing Party or the goods supplied.

**Article 14 - Applicable law: competent courts**
